Girls Golf 2015

I would like to welcome you to the 2015 Golf Season. Attached you will find a practice and match schedule for our upcoming season. The schedule was created to try and give you the most opportunities possible to still enjoy the summer. We have 5 matches before school starts and a minimum of 7 after school has begun. Practice will always be at the golf course unless I tell you otherwise. Please show up early for all practices, the times listed for practice are not the arrival times, which is when I will begin instruction.

With practice starting a month before school we will have to rely on technology ***(scary!)*** for communication. The Athletic Director has recommended that we exchange cellphone numbers for the purpose of communication. I have no desire to text you about your social life or anything of that nature. I simply need a way to contact you incase practice is cancelled or something else golf related comes up.

Team Expectations

1. On the calendar are practice times, these are start times for practice not arrival times to the golf course.
2. I'm going to try to get new shirts for us this year. I will need some help on this.
3. Because of warm weather, we are hoping to be outside for all practices. I will let you know as we get closer to the first day of practice where we will be meeting.
4. First day of practice is Monday, August 10th. Make sure you have everything turned in at the A.D. Office by the Monday before since school is not in session.
5. We will be supplying you with a team golf bag with an umbrella. You need clubs, balls, etc.
6. Put a sweatshirt or light windbreaker in your bag, so if the weather changes, you have something to keep you warm.
7. We have one new varsity tournament that will be playing at this fall. We are at ***Wisconsin Dells*** for a two day invitational at Trappers Turn Golf Course.
8. In order to earn a ***Letter*** you must play in 75% of the Varsity matches. Make a significant contribution to the team. An example of this would be that a player improves a great deal as the season progresses. The second half of the season, she scores well in the Varsity matches and plays well in the tournament series. A senior who has not met the other criteria but has played on the golf team for at least the last two seasons.
9. Players are required to be at practice every night! If there is some kind of emergency that you think you can't make practice, you MUST call me directly and ***talk to me***. Do not tell another player to tell Coach that you won't be at practice.
    - An unexcused practice will result in the player being suspended from the next match.
    - A second unexcused practice will result in the player being suspended for the remainder of the season.
10. Cell phone are a NO! Turn it off and keep it in your bag!
