

## **BOARD MEMBER DEVELOPMENT OPPORTUNITIES**

Board members are encouraged to participate in appropriate school board conferences, conventions, seminars and workshops. Board members are reimbursed for travel and other necessary expenses in accordance with established procedures and Wisconsin Statutes.

The district administrator shall report monthly on upcoming inservice opportunities for Board members. The Board shall select representatives to attend these sessions from among Board membership. The members selected shall report to the Board on the inservice sessions attended and shall share information, materials and recommendations acquired by attending such sessions.

### The Wisconsin Association of School Boards (WASB) Convention

Each year, as a part of the budgetary process, the Board shall determine the number of delegates to attend the WASB state convention.

### The National School Boards Association (NSBA) Convention

Each year, as a part of the budgetary process, the Board shall determine the number of delegates to attend the NSBA national convention.
