

GUIDELINES FOR ADDRESSING THE BOARD OF EDUCATION

Welcome to this meeting of the School District of Amery Board of Education. We are pleased that you are interested in the work of the school board.

You may address the Board only during Community Comments time on the Board meeting agenda.

Any resident, District employee or guest invited by the Board may make comments about any decision, policy, or Board meeting agenda items.

The following guidelines have been established for addressing the Amery Board of Education.

1. For those wishing to speak before the Board, a sign-up sheet will be available prior to the start of the meeting. If the topic noted on the sign-up sheet is deemed to be out of order, the presiding Board member will inform the person wishing to speak prior to the start of the meeting.
2. Community comments must pertain to a Board decision, policy, or Board meeting agenda item.
3. Comment time is limited to five minutes per person. However, the time limit may be increased or decreased at the discretion of the presiding Board member.
4. Political speeches which are not materially related to Board decisions, policies adopted by the Board, or are not about a Board meeting agenda item are strictly forbidden.
5. Personal criticism of members of the Board of Education or employees of the School District are also strictly forbidden.
6. Please stand to be recognized. After being recognized, state your name and the municipality where you live for the record.

The Board normally receives citizen input and does not respond or debate. If there is a need for an answer or a response to a concern or issue, the District Administrator or one of the other administrators will get back to you with a response. If your concern requires Board action, it may be placed on the agenda of a future Board meeting.

Please leave your name and contact information if you wish to be contacted by a member of the Board or the District Administrator regarding your community comment.
