

STUDENT PERFORMANCES/CONTESTS

Public Performances

Public performances by students shall be under the supervision of the professional staff. Students may not be involved in activities where individual students receive compensation from an agency for a performance. Organizations and individuals may make contributions for a specific performance in accordance with Board policy.

Contests

Student contests shall be under the supervision of the professional staff. Contests shall be scheduled to comply with guidelines set forth by the agency sponsoring each contest.

CROSS REF.: 840, Public Gifts to the Schools

APPROVED: October 11, 1993
