

### **Student Use and Possession of Electronic Equipment and Cell Phones**

The School District of Amery may allow students to possess and use cell phones during the school day on school premises and at school-sponsored activities.

The rules for cell phone use during the school day for students will be determined by the principal of each school building. The cell phone use procedure shall be made clear to students at the beginning of each school year. Copies of the cell phone policy for each building shall be made available to individuals upon request.

Cell phone use is prohibited by State of Wisconsin Law in all locker room and bathroom settings.

The school policy for computer use will be defined in the school technology use contract.
