

4th grade field trips

On May 17th we will visit Balsam Lake's Polk County Museum to learn about our heritage and Interstate Park to study glacial features and land-forms.

On May 24th we will be traveling to Fort Folle Avoine near Danbury, Wisconsin. We are very excited to give students the opportunity to walk through a rendezvous camp, talk to the traders, watch a variety of demonstrations and test their skills in fur trade games.

The MacLaughlins have invited us to the Northern Lakes Center for the Arts to view art work done by Wisconsin artists. This is a one hour trip with each 4th grade homeroom going at a different time during the day. The date for this field trip is May 29th.
