

# We Need Your Help!

At Amery Intermediate School, we realize that the success of many of our programs depends heavily on volunteers. We appreciate each one who volunteers their time and talents. Please take a minute to look through the list below and check any that interest you. This is not a commitment, we are just looking to see where you may really enjoy volunteering. If you have any questions as to what any of these activities involve, please feel free to call the office at 715-268-9771, ext. 277. Please return this form to the Intermediate School Office.
