

## SCHOOL BOARD LEGAL STATUS

Education is a function of the State of Wisconsin. The Amery Board of Education has been granted authority by the Wisconsin Legislature to make rules for the organization, operation and governance of the School District of Amery which serves as an agency of the State.

### Number of Board Members and Terms of Office

In the spring election of each year, residents shall elect a member or members to serve on the five-member board. Each member shall serve a term of three years unless otherwise provided. Members may be elected for consecutive terms in accordance with regular election procedures for candidates seeing public office.
