

PARENT RIGHTS AND THE CURRICULUM

The Board recognizes the right of parents/guardians to inspect instructional materials and to deny their child's participation in certain curricular activities in accordance with state and federal laws and regulations.

Requests regarding the above may be made to the building principal. All requests shall be judged individually, based upon state and federal guidelines. If an adult student or the parent/guardian of a minor student is not satisfied with the curriculum coordinators and building principal's decision, he/she may appeal in accordance with established procedures.
