

GRADUATION REQUIREMENT WAIVER

Students with credit deficiencies resulting from a long-term illness or serious accident may request a waiver of the current credit requirements for graduation. Such request must be in writing and must be submitted to the high school review committee.

The review committee shall consist of two high school guidance counselors, the school psychologist, the high school principal and three high school teachers who are currently teaching the specific student. The committee shall meet with the student and his/her parent(s)/guardian(s) and make a recommendation to the District Administrator for his/her consideration and for possible presentation to the Board. The Board must approve all graduation requirement waivers.
