

## EXTRACURRICULAR ACTIVITIES

All student extracurricular activities shall be established as an integral part of the broad instructional program of the school, and, as such, shall contribute to the overall effectiveness of the educational program.

Extracurricular activities shall be available for students in the district. The Board encourages full participation of students in extracurricular activities and recreational programs and activities. For purposes of this policy, "full participation" means fair and equal participation to the extent that the budget, facilities or type of activity allows.

Participation in extracurricular activities shall be in accordance with established school and activity rules. Students who violate school and/or activity rules shall be subject to disciplinary action.

It shall be the responsibility of the District Administrator and administrative staff to guide and control extracurricular activities.

The School District of Amery shall not discriminate in the selection and evaluation of instructional and library materials on the basis of sex, race, color, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, handicap or physical, mental, emotional or learning disability. Discrimination complaints shall be processed in accordance with established procedures.
