

DISTRICT USE OF DISTRICT-OWNED VEHICLES

District-owned vehicles are provided for transporting students and district personnel to and from school and school-related activities. No district-owned vehicle may be operated for personal use by Board members, students, administrators, professional staff or associate staff including bus drivers.

The Board may provide transportation for community events. The organization requesting the Board to provide transportation shall pay a fee equal to the actual cost of transportation including, but not limited to, costs for depreciation, maintenance, insurance, fuel and compensation of vehicle operators.
