

FOOD SERVICES MANAGEMENT

The school food service program shall be an integral part of the total school program. The Board believes attractive, nutritious, well-balanced meals are essential for having students physically and mentally able to learn.

The food service program shall be operated for all students in the district in accordance with state and federal guidelines and signed agreements. The School District of Amery shall not discriminate in school-sponsored food service programs on the basis of sex, race, color, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, handicap or physical, mental, emotional or learning disability. Discrimination complaints shall be processed in accordance with established procedures.

The Board shall establish food service meal prices annually.
