

# Ongoing Activities

## Explore Options

Students are encouraged to browse, filter and research to learn more about the range of career, school and education programs available. The more exposure, the better!

EXPLORE

## Building About Me

Good career decisions start with strong self-knowledge. With regular updates to the *Experiences*, *Skills* and *Interests* sections of *About Me*, students create a fuller picture of who they are.

KNOW

## Course Planning

The best course planning is done over time, in the context of career exploration and planning. Course plans can be modified and updated on an ongoing basis. Of course, annual course selections is regular event for all students throughout the high school years.

PLAN

## Lessons and Assignments

Educators can activate new lessons and activities for students at any time. Students are encouraged to login regularly to stay on top of their assigned projects.

## Curate Saved Options

Review, reflect and update saved options overtime to keep pace with new learnings and evolving preferences. An up-to-date list of saved options is a great foundation for students' future planning.

EXPLORE

PLAN

## Storyboard

Students can add content to their personal Storyboard at anytime. Ongoing, organic building of content allows students to create a rich archive of resources they value and develop a library of their proudest or most relevant accomplishments from each grade.

## Building Plans

Keeping plans current requires periodic creation of new plans to reflect new interests and editing or deletion of existing plans. Ongoing planning allows students to gain experience with this critical skill, strengthening their ability to plan.

PLAN

GO!

## Update Resume

Students take the work they've already done in Xello, including skills, interests, and experiences, and quickly turn it into a professional resume, which they can download and share.
