Skills & Drills Basketball Camp

*"It's the little details that are vital.
Little things make big things happen."-John Wooden*

We will focus on the athlete's entire package: shooting, ball handling, passing, and defense. This is a great camp for the player who wants to develop into a more complete player. They will learn the game of basketball, improve their skills, and have fun while doing it.

My goal is to help young players learn the essential fundamentals of basketball to become successful on and off the court. Together we can start achieving this through hard work and effort. -Amery Girls Varsity Coach Gabe Brotzel
