

Maximum Velocity

Track and Field Club

Develop as an Athlete: Mentally, physically, and socially

- Maximum Velocity is open to youth ages 7-18.
- Our mission is to provide coaching and instruction in track and field events and to provide opportunity for youth to compete to the best of their ability against themselves and peers.
- It is also our goal to teach high moral values and how to apply them in practice, in competition, and in life.
- It is our goal that each member of our club will have fun, grow in love and knowledge of the sport, and learn how to apply high ethics/values as a competitive athlete.
- The track club is open to families, regardless of where they live or go to school.
- This can be a great introduction to the sport of track & field or an opportunity to receive more individualized training and personal attention to improve.
- Maximum Velocity can be a competitive club, or can just be a summer camp for your child.
- There will be the option to compete against other teams and individuals.

If you are interested or would like further information about the track club which will begin in May/June, please e-mail Justin Schuh at schuhj@amerysd.k12.wi.us or Amanda Aizpurua at aizpuruaa@amerysd.k12.wi.us

Please include: your name, athlete's name & age, and e-mail address that is most often used by you or your family along with questions.

A little more information...

- There will be 2 practices a week from the end of May through June
- Optional track meets will be on the weekends (dates not set at this time, but looking at 3-7 meets)
- \$75 for the season to practice and be part of the club. Fee includes a competition top.
- There will be additional fees if your child competes in track meets (\$12-\$20 per meet) along with an annual membership to USATF (\$20) and/or AAU (\$16)
