Our Learning

Reading- We will be doing some turkey relates activities as well as reading in small groups and focusing on verbs.

Language Arts- We will finish up our turkey writing and begin working on some narrative writing.

Math – We will begin our next unit on division with whole numbers.

Social Studies- Students will finish up learning about landforms and then will move on to learning about regions.

Science- We will be working on our engineering unit. Students will discuss what materials will work the best to build their sails.

At-Home Practice

****Spelling test tomorrow!****

Reminders

- If you have not returned your \$6.25 for Wet and Wild Day, please do so as soon as possible. Students can wear their swimming suits to school that morning. Please pack appropriate clothing in a plastic bag so that students can change after swimming and put their wet swimming suit into the plastic bag.
- We are getting close to the end of the moth so send in those box tops if you have them please. Thanks in advance!
