

Parent Feedback Questionnaire

Have you heard? This year we are offering our parent feedback questionnaires via the internet. Once you complete the questionnaire for your child's classroom teacher, please take a moment or two to fill out a feedback questionnaire for me too. You can find the questionnaire at the link below. If you are unable to access the questionnaire or would just like a paper copy, please let me know and I will send one out for you.

Thanks for taking the time to fill out the survey, and thanks for sharing your kids with me. I'm really enjoying working with them!
