

Dear Parents,

It is that time of the year when you can send me feedback on my teaching performance this year. I highly value all of your opinions and welcome both positive and negative comments. The survey is on-line this year so you can be assured of remaining anonymous.

If you are not able to access a computer with internet, you are welcome to stop in at school and the building secretary will set you up in one of our labs. If you prefer a paper copy, I would happy to print one and send it home at your request.

It has been my pleasure to support your children in their learning and I hope to continue to improve my skills in order to serve you even better in the upcoming school year.

Sincerely,

Colleen O'Brien
