

# The WOLF DEN

4/25/24

Have a great weekend!

## Specials:

Monday: Tech/PE

Tuesday: Music/Guidance

Wednesday: PE/Keyboarding

Thursday: Art

Friday: Music/PE

Library checkout:

**Reading/Language:** The students read the story "Bug Bites" and focused on the central idea of a story. We finished our narratives this week as well as learned about "negatives" in a sentence.

**Math:** We reviewed skills from unit 8. We focused on quadrilaterals, composing/decomposing angles and measuring angles. We also assessed some of these skills this week.

**Science:** The students created their solar ovens and tested them today. Tomorrow, we will discuss ways to improve the solar ovens.

**Social Studies:** We are continuing to learn about the early explorers in Wisconsin.

## Dates to Remember:

May 3—Field Trip \$ due

May 8—Walk-a-thon

May 10—Interstate/Balsam

Lake Field Trip

May 23—The Fort
