

# The WOLF DEN

5/16/24

This will be the last newsletter for the year. It's been a great year and I've really enjoyed having your children in my class. I'll have an end of year video on the google classroom uploaded next Friday. If interested, feel free to download it. Have a great summer!

## Specials:

Monday: Art

Tuesday: Music/PE

Wednesday: Library/Music

Thursday: Tech/PE

Friday: Music/Guidance

Library checkout: Tuesday

**Reading/Language:** The students started the next story and we focused on "sequence of events". We also continued to work on our cursive handwriting while studying pronouns and homophones.

**Math:** We continued to practice key math skills from this year's math lessons.

**Science:** The students finished our circuits unit and started animal adaptations. We will study animal adaptations for the remainder of the year.

**Social Studies:** The students finished up the fur trade and talked about the War of 1812. We will finish up with the Native American Treaties.

## Dates to Remember:

May 22—End of Year Party

May 23—The Fort

May 24—Last day
