

The WOLF DEN

5/2/24

Have a great weekend!

Specials:

Monday: Library/Music

Tuesday: Tech/PE

Wednesday: Music/Guidance

Thursday: PE/Keyboarding

Friday: Art

Library checkout: Monday

Reading/Language: The students reviewed the theme of a story this week and took an assessment on it. We also did some review lessons on conventions and proper mechanics. Next week they will take their Spring Benchmark assessments.

Math: We reviewed skills from the year (multiplying, division, word problems, place value, etc.) and took some formative assessments to see how well they've learned the skills this year. Next week we will take our Spring Benchmark assessments.

Science: The students started the Circuits unit. They are learning about electricity and what makes a circuit. They will experiment with circuits next week.

Social Studies: Students drew out maps of where explorers explored and reviewed vocabulary through a variety of ways.

Dates to Remember:

May 3—Field Trip \$ due

May 8—Walk-a-thon

May 10—Interstate/Balsam

Lake Field Trip

May 23—The Fort
